

Eden Florida, a non-profit organization, was founded in 1996 to meet the pressing need for specialized services for children with autism in Florida. The third largest developmental disability today, 1 in 150 children are affected by autism in our country. The mission of Eden Florida is to improve the lives of children and adults with autism and their families by providing a range of services to meet their specific needs throughout their lifespan. Eden's services include a year-round school program at McBride Center in Fort Myers; Early Intervention Program, Clinic Services, Employment Center and Spanbauer House, a community-based residential group home in Naples. **Eimerman Educational Center** is Eden Florida's newest endeavor to provide a school for children with autism ages 3 to 22 in Collier County with anticipated completion of renovations in the fall of 2007. Come by and take

a look at our improvements at 2801 County Barn Road, Naples, FL 34112.

We are asking for help from our families and friends in the community through our Tribute Brick Program. This program has been the foundation of our past. The Tribute Brick Program is a way for you to support Eden Florida's mission to enable children and adults with autism to lead more independent lives; and, as contributing members of their community, to be truly "Alive in the World."

Bricks have been the foundation of our past. By purchasing a brick at Eden, you can help create a pathway to our future.

We invite you to remember loved ones, honor friends and /or commemorate special occasions by purchasing personalized bricks. One or more will be helping children and adults with autism. When you purchase a brick, you may choose to have it placed in one of the following surroundings:

The Eden Rose Garden

– When you select the Rose Garden, your brick will reside in a serene setting and an environment of peace and tranquility.

The Richard Condon Swimming Pool

– The bricks surrounding the Richard Condon Swimming Pool will help provide an area for children and adults to enjoy fun and entertainment.

The Walkway to our Flag

– The bricks selected for the walkway will lead to our flag with flowers surrounding this pristine area.

Placing a brick at one or more of the areas at Eden is a wonderful way to support and pay tribute to individuals and families who have been affected by autism.

Commemorative Benches designed by Naples artist Jim Rice can be purchased for \$5,000 and Tree Plaques are also available for \$1,200. Both are limited so please call Taire Malloy or Frank Garbarino at the Eden Foundation Office at (239) 992-4680 for more information.

Tribute Brick Order Form

To order a brick or make a donation, complete the form below and return with payment to:

EDEN FLORIDA

**24860 Burnt Pine Drive, Bldg. 6 – Suite 3
Bonita Springs, FL 34134**
