The History....

In 1988 the former East Naples fire station opened as the original St. Matthew's House shelter. When we moved down the street in 1994, the "Old Firehouse" became our dedicated soup kitchen, serving over **130,000 meals** each year, with over **2 million meals** served to date. A much needed building overhaul will enable us to better serve the needs of the community, plus house additional residents.

The Future...

Now you can help pave a path in the future of St. Matthew's House! We invite you to remember loved ones, honor friends and family, or commemorate special occasions by purchasing **tribute pavers** to be embedded in the walkways and landscaped area outside the Old Firehouse. These laser-engraved pavers are guaranteed for life, with permanent paint that never wears away.

Best of all, your paver purchase will help cover the cost of Old Firehouse renovations, which in turn helps St. Matthew's House continue our mission of **feeding the hungry and housing the homeless**.

Please visit us at stmatthewshouse.org to order your paver online, or fill out the attached order form and send it in with payment today! Choose from two sizes, traditional 4 x 8", or a 12 x 12" square. (Company logos can be engraved for an additional charge.)

Commemorative stone benches designed by Naples artist Jim Rice can be purchased for a donation of \$5,000 apiece. These benches will be placed on the grounds of St. Matthew's House. A dedication tile is also embedded and engraved to your personal liking.
