

JOINS US AS WE PAVE THE WAY FOR OUR VETERANS

**The Brunswick Riverwalk at Belville
Veterans' Memorial**

**"BUY A BRICK"
FUNDRAISER**

You have an opportunity to take part in the Brunswick Riverwalk at Belville Veterans' Memorial 2019 fundraiser by becoming a brick donor by buying a brick for a veteran. Anyone can purchase a brick.

These memorial bricks will be installed permanently around the boulder monument's base. Buying a brick is the one gift that truly keeps on giving. There is no better way to honor a veteran or service member than by purchasing a brick for them!

Orders will be taken through December 2019. In January 2020, the fundraising campaign will be concluded, and the construction of the memorial will begin. A dedication and unveiling ceremony of the completed memorial will be held in 2020.

Opportunities for Sponsorship are available too. Call the Town of Belville at (910) 371-2456 for more information. Being a donor or a sponsor for the Brunswick Riverwalk at Belville Veterans' Memorial, is an incredible opportunity to touch the lives of many and support an effort that impacts your local community.
