Wylie Animal Rescue Foundation

WYLIE ANIMAL RESCUE FOUNDATION

WARF is building a beautiful memory wall at our sanctuary in the garden, which was created in honor of Connie, one of our founders who passed away in 2020. We are hoping to raise funds for the remaining sanctuary build through the sale of these memorial/honorarium tiles. A tile can be purchased to honor a lost pet, a family member or someone who has played an important role in your life. The tiles will be displayed on the memorial wall in the garden at the sanctuary in Stagecoach, NV.

You may also purchase a replica tile as a keepsake.

Thank you in advance for your support, which allows us to continue saving at-risk animals and gives them a chance to live out their lives either in a new home as a new family member or in a peaceful environment at the sanctuary if they are unable to transition to family life. WARF focuses on animals who truly have no other options, and we never give up on our rescues.
