

Help Us Raise the Roof!

Last fall saw the exciting groundbreaking of the new campus of Lake Lure Classical Academy. Construction has been underway and our students are excited to move into their new school in August of this year! We now invite the community to participate in our **Buy-a-Brick** fundraising program that is part of the *Raise the Roof Campaign* to fund important elements of the campus like the gym/auditorium. This program is a once-in-a-lifetime opportunity to help our school with a gift that is striking in its beauty and uniquely able to stand the test of time.

Families, organizations or businesses, you can buy a commemorative brick, or series of bricks, that will be laid in the landscape surrounding the flagpole in front of the school building. This marks a distinct opportunity for recognizing individuals, families or businesses with a brick, or series of bricks, featuring a personalized message, favorite quote or name. You can even add a clip art picture or your company's or organization's logo to your brick for a small added fee.

Help Us Pave the Way to a Brighter Future for our Students!
