

JOINS US AS WE PAVE THE WAY FOR OUR VETERANS

You still have an opportunity to take part in the Brunswick Riverwalk Veterans' Memorial by purchasing a brick for a veteran for just \$60. These memorial bricks will be installed permanently in the apron in front of the boulder. Buying a brick is the one gift that truly keeps on

giving. There is no better way to honor a veteran or service member than by this recognition.

A single 4"x8" brick can be laser engraved in black, with your choice of wording and clipart. Bricks will have 3 lines of text and a maximum of 15 spaces with clipart and 20 spaces without clipart. You can also order a mini 4x4 replica tile of your brick for only \$25 with your order. It may take time to collect enough orders before being submitted. We will notify you when your brick is installed on site.

The Grand Opening Dedication Ceremony was held on Veterans Day, November 11th and was a very emotional and celebrated event. Many asked if bricks are still available, we planned on expanding and adding some rows.
