

## Hamburg Public Library Capital Campaign

We are asking for YOUR help to build our dream of a larger, updated and beautiful library.

Our project will enable us to:

- \*Enlarge the library by 6,000 square feet
- \*Triple the size of our public meeting room
- \*Provide more computers and internet access
- \*Bring the accessibility ramp inside the building for enhanced safety
- \*Improve energy efficiency
- \*Update our infrastructure
- \*Create room for our growing collection of books and materials
- \*Provide an attractive and comfortable space for gathering, reading, and studying
- \*Host a wider variety of cultural and educational programs and events
- \*Build a community landmark

You can help by purchasing a brick today to honor your children, commemorate loved ones, remember a special friend or pet, promote your business, or mark a special event in your life.

You can choose from an assortment of graphics to add to your brick to make it a little more special.

The bricks will be placed along the walkway leading to the front door and be an integral part of the design of the expanded library.

Thank you for your support!
