

Raising Danes, LLC welcomes you to our "Raising Danes Memorial Park", brick fundraiser web site. We are in the process of building a beautiful Memorial Park at our Raising Danes Sanctuary. The park will be built in a 40x40 bricked in area, with a beautiful fountain in the middle. It will be located in between our Rainbow Bridge Park and our Chino's Warrior Park.

You will be able to purchase engraved, memorial bricks in honor of your beloved pets.

*Your brick can have the name or names of your pets and/or a clip art image or a logo image of your choice.*

-The Rainbow Bridge side of the park is dedicated to our beloved pets that have crossed over the Rainbow Bridge.

-The Warrior Park side is dedicated to all of our beloved pets, who are still with us, and have fought and beat the odds. All remaining bricks will be placed on the front and rear side of the fountain to honor your pet.

We are offering 3 levels of sponsorship for this fund raising project.

\*The 4x8 **Park Sponsor bricks** will be placed all over the center of the park.

\*The **Border Sponsor bricks** will be placed all along the outer edge of the park, creating a lovely border to the 4x8 bricks.

\*The **Fountain Sponsor bricks** will be placed all around the fountain.

These 3 levels will allow you to select the placement, size, color and sponsorship level, you wish to donate to our project.

Each sponsorship level will include a lovely replica tile for you to display in your home or yard.

Replica Tile will be a copy of the initial laser engraved brick with the same exact wording.

*Your replica will be a 4"by 4" by 1/4" Antique Ceramic Tile with a very stylish look.*

Thank you for your sponsorship.
