The purpose of the Veterans of Foreign Wars of the United States is to preserve and support the patriotic and historical interests of our country,

our communities and our veterans; to strengthen the common bonds of the men and women who have served and who are currently serving in our military; to assist them and their families to enhance their quality of life; to maintain true allegiance to the Constitution and laws of the United States of America and defend her from all enemies, whomsoever The VFW traces its roots back to 1899 and was founded to secure rights and benefits for their service: Since then, the VFW's voice had been instrumental in establishing the Veterans Administration, creating a GI bill for the 20th century, the development of the national cemetery system and the fight for compensation for Vietnam vets exposed to Agent Orange and for veterans diagnosed with Gulf War Syndrome. In 2008, VFW won a long-fought victory with the passing of a GI Bill for the 21st Century, giving expanded educational benefits to America's active-duty service members, and members of the Guard and Reserves, fighting in Iraq and Afghanistan.

Annually, the nearly 2 million members of the VFW and its Auxiliaries contribute more than 8.6 million hours of volunteerism in the community. By supporting our Brick fundraiser you will help Post 2082 repair and repave the parking lot at our post. All proceeds will support the repair the Parking lot.
