Building a Legacy Brick by Brick

Thank you for being an intricate part of 103 years of historical and life changing ministry. In 1917, a group of believers came together in prayer to start a Gospel Teaching church. This Memorial Brick Project will highlight those who have passed this way and influenced and impacted our lives and ministry. The Commemorative Brick Project will be displayed in the front of our Building surrounding our beautiful Church sign as well as in the front Vestibule for all to see in years to come. Donations can be made in Memory of your Loved Ones, Contributors to The Church Ministry or as an individual donor. These bricks will serve as lifetime reminders of the influences and families that have been touched by our ministry down through the years. The Zion family brick is also available to our Members, Family and Friends of the ministry to display SPECIAL dates such as weddings and baptisms and will be displayed in the church's walkway. This brick fundraiser is in conjunction with your capital campaign project to renovate our campus and parking lot.
